

TANZANIA OSCARS SELECTION COMMITTEE

Formation of the selection Committee Formed.

Selection for members of the committee was done by considering experience, skills and their contribution in the film industry. The committee comprises of award winning filmmakers, academicians, actors and a former festival director. Each member brings their personal experience of participating in local cinema with international standards.

How the Committee acquire films?

The committee will use submission method after a public announcement in order to give equal chance to film makers to submit their films. The Committee does not charge any fee.

Voting

The committee will use a hybrid system where an open discussion is held to allow serious engagement with the film and then allow for secret ballot.
